## Volleyball Tournament Format Information

1. Time-outs will be 30-seconds in length. A coin flip will be used for serve/side conducted by of the R1 (lead official). We will be switching sides of the net after each set because our venues have an advantage such as more playing room or fan proximity. A coin toss will be conducted for choice if there is a third set.
2. For team warm-ups we will be doing the following:
  - a. Two Minutes Shared Court
  - b. Three Minutes Serving Team
  - c. Three Minutes Receiving Team
3. Teams will shag volleyballs for the other teams during warm-up time.
4. Warm-up volleyballs will not be provided.
5. There will be one head official (R1) for each match provided. In the 14's Tournament 2 and 16's Division when a team is officiating, they need to supply one R2, two scorekeepers, one scoreboard operator and two line-judges. In the 12's Division and 14's Tournament 1 when playing each team supplies two helpers. Please work with the R1 for assigned tasks.
6. JustAgame Fieldhouse uses Exposure Volleyball for scheduling and for results. The schedule can be found at [www.justagamefieldhouse.com](http://www.justagamefieldhouse.com). The name of the event is the JustAgame Knuckleheads Classic. The system does not indicate officiating duties so please use this schedule for that information. Please double check if you are officiating and do not leave the tournament until you know that you do not have officiating duties.
7. On the wall side of the Fieldhouse teams will be allowed to step up to the clearly marked red line on the floor to allow for enough room to serve. We **WILL NOT** be using the Badger Region step-in rule for the 12's Division.
8. For tiebreaking procedures that involve bracket play, we will be using Badger Region PROTOCOL #1.  
For all two-way ties:  
The #1 team will be the team that won the pool play match between the two tied teams.  
All other ties:  
Teams qualifying for playoffs shall be determined by:
  1. Match Winning Percentage (Matches won divided by matches played)
  2. Set Winning Percentage (Sets won divided by sets played)
  3. Total Point Differential (Total # of points won subtracted from total # of points lost)
  4. Coin Flip
